Our students practise speaking, listening, reading and writing. We have classes at all levels from beginners to advanced.

Our courses are based on the ESOL National Curriculum and lead to a nationally recognised qualification. We have:

- friendly, hard-working groups with well-qualified tutors
- daytime and evening classes at centres across Bexley
- enrol at any time if there are places in suitable classes
- summer school in July

### Do you need better English:

- to get a good job?
- to gain citizenship?
- to help your children?
- to speak to the doctor?
- to gain qualifications or to study at university or college?

Please go to one of the main centres to collect an ESOL enquiry pack - for address details see page 51.

You will be asked to come for an interview. Our courses are still free for some learners. Registration and administration fees apply. There are many different courses in this brochure which might interest you and we may be able to arrange extra help with English if you take one of these courses. Please speak to your tutor.
